Abbyson

B-170

The Itable Mini 2 features motion technology and a patented design. Other features include wireless charging built-in speakers while upgraded features include recessed cup holders and stealth mode touch buttons.

Alpine Furniture

A-500

The Emillie bedroom collection includes a one-drawer nightstand with shelf, a six-drawer dresser, a three-drawer small chest, a five-drawer chest and bed sizes that include queen, full, king and California king. Two finish options of white and black are offered. Other pieces include home office desks and a TV console.

Armen Living

B-759

An expanded bedroom furniture selection includes five new collections with wood and other new finishes.

A new barstool introduction has 30 new styles, including mid-century modern, contemporary and transitional.

Bellini Modern Living

B-670

New formal dining options are characterized by their contemporary style. Handcrafted in Italy, each of the table and chair options were designed to add a modern aesthetic to a variety of dining spaces. Dining tables include design elements such as veneer edge walnut wood tops and anthracite bases, while dining chairs feature full-grain Italian leather covered wooden legs and gold caps. Other highlights of this collection include the Eclisse dining table characterized by its ceramic top and black base, and the Forma Sideboard featuring a dark ash body and white ceramic doors.

Occasional introductions include an array of coffee and end tables.

A new entertainment collection is offered in a variety of wood, glass, and ceramic options.

Displaying in the Bellini showroom, the Modica TV stand

is available with pull down doors, a multiplug, detachable grills for air circulation, hidden wheels, LED light and ceramic top.

Bloomingville

C-796

Meant to be used in a home office or dual function as a console table in the living area, the company's whitewashed oval mango wood desk features one drawer and hidden storage inside the legs. Made of solid mango wood.

Substantial but subtle and modern, the mango wood bench offers extra seating or functions as a small side table. Display its upholstered top by tucking it in under a table or taller chair.

Coast to Coast Imports

A-316

A new oval casual dining table made of solid acacia wood and features warm wood tones. The base features interlock-

ing links. Matched curved bench and solid wood chairs are available.

A new two-door cabinet features a natural mango finish paired with concrete gray door fronts with metal inlay. Inside you'll find bottle storage, open shelving and a drawer for tucking away smaller items.

A four-door sideboard, also with a mango wood finish, can be paired with metal clad door fronts. Removable shelving is found inside.

A two-drawer writing desk from the Corbin II Collection is constructed of pine solids and veneers while featuring a sandstone finish. Matching occasional tables and multiple bookcase options are available.

Creative Co-Op

C-712

The 31-inch by 12-inch round mango wood table features hand carved side details at an affordable price.

Diamond Sofa

B-746

The Rune dining table pairs a 54-inch circular solid wood top with a cold-rolled iron pedestal. It complements with the Adele chair in a new light cream fabric.

The Cloud Ivory Boucle bed's chic-textured boucle upholstery adds depth to the bold forms of the Cloud with its low slung and generous proportions.

Dovetail Furniture

B-159

The Ross dining table is crafted from reclaimed pine wood and features a minimalist design. A round shape on a sturdy cone-shaped base lends to a unique and modern silhouette that complements various design styles.

Furniture of America

B-1168

The Blanchefleur desk is as much a statement piece as it is functional. It's made of solid mango hardwood that has undergone a special sawing technique to highlight the depth of its natural finish. An asymmetrical layout adds to its character; each of the six drawers features unique hardware and front panels with different hand carved patterns.

The Culver table share a solid wood table top held up by an interlocking X-base that brings out farmhouse appeal. Painted and then weathered by hand, the table is designed to bring out the natural beauty of the solid Brazilian pine wood underneath.

The Laurentian console is confident in its minimalism. The piece features deep, horizontal grooves in its door pan-

els, adding texture and weight. Each panel is accentuated by a golden horizontal finger pull.

The rustic dining Missoula table features a natural edge. It can be assembled with USB and power outlets on either side.

The Myrtlewood bedroom set features vintage ivory frames, contrasting rustic gray crown moldings, and farmhouse charm. Each piece is hand-painted and hand-finished and is made of sustainably sourced pine wood. Handcarved floral details are also featured.

Global Views

A-153

The Circle/Square cocktail table features white marble, industrial iron, a hammered texture and a hand-painted luxe gold finish. Made of naturally quarried marble, color and veining variations may occur. Also offered in black granite and a nickel finish.

A circle/square side table is also offered, in either white marble or black granite and finishes of gold or nickel.

The Latitudes side table has a transitional modern design and is made of walnut veneer with brass details.

The Latitudes media console has a transitional design and is also made of walnut veneer with brass handles. Designed to be functional and versatile, the console features multiple interior shelves and is finished on all sides.

Liberty Furniture

A-746

The Heartland bedroom collection features a decorative headboard with antique ceiling tile panels. The intricate carvings are outlined with heavy picture frame molding. The headboard is available in both king and queen and has the

ability to stand-alone, be paired with the company's panel footboard or a Hollywood bed frame.

The Thornwood youth bedroom collection features an array of bed options, a bookcase headboard, panel footboard, and storage footboard. A loft bed is also offered, which can be customized to include more storage. Each piece features the rustic rock-beaten gray finish and is accented by hammered metal strips.

The Lindsey Farm dining collection features a two-toned weathered white and sandstone finish, ideal for farmhouse-styled home. Choose between a trestle table or a gathering table that can also be used as an island. The chairs feature an inverted V design on the back and saddle-shaped seating, with the counter height chair having the ability to swivel. The server features three felt-lined drawers, two adjustable shelves, one fixed shelf and removable wine bottle storage.

The Crescent Creek is a contemporary dining collection available in both table height and counter height. The chairs and tables feature a weathered gray finish with distressing, which is accented by the linen upholstery on the chairs. Each table has a fixed top with an X-style base. The buffet has two full extension drawers and two adjustable wine storage shelves.

The rustic Arrowcreek occasional collection features a

weathered stone finish that is accented by slate inserts on each tabletop. The lift-top cocktail table has an abundance of storage thanks to its bottom shelf and two hidden compartments located beneath the lift-top and is castered for easy maneuverability. The end table features one full extension boxed drawer and a bottom shelf for additional storage.

The Lennox home office collection features a weathered chestnut finish that is accented by antique pewter bar pull hardware. The writing desk features two drawers and a floating glass insert. The credenza features three storage drawers and two lateral file drawers, anchored by an angled leg base. The bookcase features fixed floating style shelves, which complete the transitional style of the collection.

The Allyson Park entertainment collection is cottage-styled and features a wire-brushed white finish with charcoal tops. The entertainment center hutch features touch lighting and an adjustable shelf, allowing you to store pictures and artwork. Each TV stand features open compartments, adjustable shelves and wire management for electronics storage.

Martin Svensson Home

A-700

The Mid-Century Modern bedroom collection features classic splayed and tapered legs, sleek and uncluttered lines with geometric forms and gentle organic curves. Constructed in birch veneers and finished in a multi-tone white case, grey drawer fronts and black legs. Suggested retail for the five-piece collection, \$999 to \$1,299.

The new Beach House dining collection features a coastal casual styling inspired by beach houses from the Florida coast to Nantucket to San Diego. Each item in the collection is constructed from solid New Zealand pine. A metal turnbuckle under the table adds an extra detail to the coastal casual look. Suggested retail for six-piece (table, bench, four chairs) or seven-piece (table, six chairs) collection range from \$1499 to \$1699.

The Mid-Century Modern TV stand features splayed and tapered legs, uncluttered lines with geometric forms and organic curves. Constructed in birch veneers and finished in a multi-tone white case, grey drawer fronts and black legs. Round knobs in an oil-rubbed bronze tone are found on the sliding doors to complement the contemporary look. The 60-inch-wide design fits TVs up to 65 inches wide. Suggested retail prices will range from \$350 to \$450.

Moe's Home Collection

C-474

The Angle dining table's crisp profile pairs with the soft organic feel of its solid oak frame, while its smooth marble tabletop brings sophistication. The table sits up to eight. Pieces include dining tables in small and large, and dining bench in small and large. Available in black and white.

The Colo accent table features rough-hewn black marble as its base. With the rustic stone serving to elevate the refined mango wood tabletop, Colo focuses on tactility and contrast. Available in natural and black.

The Connor club chair features a feather-filled cushion with soft grey fabric. It features a sturdy leather sling that's reclined for relaxation. The chair's sleek and robust iron frame

adds an industrial edge to the smooth black leather.

The Douglas dining chair offers up a simple, contemporary design in top-grain leather and a slender, black powder-coated metal frame. Available in brown and black.

The Lula dining chair features soft white upholstery, a scooped seat, a sturdy iron frame, and slim, tapered legs. Available in oatmeal and black vega leather.

The Nels coffee table serves as a natural showcase for the solid mango wood's woodgrain. It features a broad base and a simple, round tabletop. Coffee table and end table are available in charcoal and dark brown.

The Plank collection is made of naturally finished solid oak. Available in a queen and king size, this bed will bring all-natural vibes to your bedroom. Pair it with the Plank nightstand for a complete set.

The Ritual coffee table features a simple design meant to be reminiscent of ancient times. A solid black marble tabletop is flecked with highlights of gold.

The Rocca dining table is made of black cement reinforced with fiberglass fibers and a metal frame. With a monolithic contemporary look, this dining table's twin pillars and slab tabletop serve both drama and domestic comfort. Other items in the Rocca collection include a coffee table, side table, and bench.

The Sigge accent chair features a gently arched back and rounded square seat coupled with a sculpted wood frame. Available in Soft Wheat, Burn Auburn and Ocean Depths Navy.

The Terning side table features a veneer of ethically sourced white and black camel bone with resin. The Terning series features a coffee table and a side table.

A-1053

The Americana Modern collection's Grand Casual Dining is designed for modern lifestyles and offers easygoing elegance with a variety of tables, chair styles, display pieces and a bar. All items offer enhanced functionality, including hidden charging stations, butterfly leaf storage and LED lighting. These pieces feature Americana Modern's signature aesthetic blending wood and painted finishes and complement the collection's existing home entertainment, occasional and home office furnishings.

Screen Gems

B-105

The Rosalind Wheeler four-panel Highland wooden screen features a rustic style and different elegant patterns on both sides of the screen.

The Passage leaning wood mirror features a rustic door

design and door hinge details. Ideal as a dressing mirror or for the entryway of a home.

The Riptide surfboard wall art features vibrant colors printed on a wood panel. The natural, distressed wood graphics give this piece a unique feel. Invisible mount and hardware on the back make it easy to hang vertically or horizontally.

The Papete screen is a wooden room divider with a laser-cut tropical leaf design.

The Easter screen room divider is printed on canvas and features Easter-inspired design. The screen is two sided with different and complementary images on each side.

The Floral mirrored three-piece nesting table set comes with three end tables, each nestled into the other. They can be stacked as a single unit or separated as desired.

Uma Home Décor

C-420

A folding screen room divider is made of long-lasting mango wood, MDF, and iron. With a minimalist design, the divider features a whitewashed brown finished ideal for modern farmhouse settings.

A bar stool is crafted from birch wood and leather. It's finished with Matte black and features a plain weave pattern with white stitch outline.

A rectangular wood console table features silver-finished reflective glass panels with clear crystal pull handles. The glam-style table is equipped with slide-out drawers and elongated legs.

A light brown accent table is crafted of lasting wood and metal materials. It features a curved structure, flat back, four

doors with hexagonal patterns, square metal handles and tapered feet.

A rectangular glam-inspired coffee table is made of wood and sophisticated reflective glass panels.

A carved wood cabinet is crafted from mango wood iron. It features a polished textured brown finish styled with gold accent handles and legs.

A wooden cabinet highlights a dark chocolate brown body finish.

The Roger Thomas Collection

A-153

The Roman console's bases are made of iron and come in a nickel-plated or gold leaf finish. The gold leaf versions pair with white marble tops and the nickel-plated versions feature flamed black marble. The Roman collection also features a coffee table, end table, and a drinks table.

The Paris Spot table is made of sandblasted oak and features curved legs with protective cast aluminum feet. Also available in black cerused oak. Also wall console.

The Proust pedestal is made of black cerused oak, cast aluminum, black polished galaxy granite with an antiqued mirror. Also available in gray sandblasted oak.

The Seine arm chair is an update to the Louis XVI fauteuil chair made of black cerused oak and gray leather. Also a side chair. Both are available in gray with black leather.

The Titian dining table is made of black cerused oak with unique wood grain pattern on a 60-inch top. It's also available in gray sandblasted oak.
